Yes a valid signed petition and letter of support from LAPD for Sycamore between Santa Monica and Romaine was received and validated about a month ago.

Dear Chris and Jeannie:

One of our homeless vehicles contacted our office today regarding new parking restriction signage that was installed today, Wednesday April 27th on the street segment Sycamore between Santa Monica and Romaine. The new parking signs read NO PARKING 2am to 6am

Was this requested by petition or how did this parking restriction overnight change?

Let me know

Thank you
